Subject: Owens Corning Linnton Draft Source Control Decision

Hi Eva,

Here's is a link to DEQ's draft source control decision for the Owens Corning Linnton - Roofing and Asphalt Facility located at 11444 and 11910 NW St. Helens Road in Portland. We're asking for a 30-day review period. Our conclusion is that the site does not require additional source control efforts.

Please contact Alex Liverman or myself if you have any questions.
